

VIRTUAL TOURS

If a picture is worth a thousand words, a professionally filmed video tour of your property is worth even more. When you list your property with me, my Marketing Team will work closely to produce a high quality Virtual Tour of your home.

Your Virtual Tour will be provided to thousands of prospective buyers and their agents who visit my award winning website GatorHomes.com along with other high traffic real estate specific websites that include RealEstateinGainesville.com, CRS.com, Florida Living Network and the industry leading Realtor.com. Your Virtual Tour will include a full walk-through of your entire property. Of course buyers may view your Virtual Tour conveniently from there own home 24 hours a day, seven days a week each and every month.
